Council—

SPURTRACK STRIKES SNAG AND WORK IS STOPPED.

The Stauffer Chemical Company's spurtrack which is being built from the main line of the Southern Pacific Company, along Chestnut street to the salt beds, has been laid as far as the site of the Redwood City Water Company's pumping plant, where an obstruction has been met in the right of way of the Spring Valley Company. Up to the present time the latter company has refused to permit the Stauffers to cross their holdings. It is hoped that the difficulty will be soon adjusted and the track completed across the marsh. The Stauffers have built a fine macadam road to their salt piles and large quantities of the company's product are being hauled to the spur and shipped by rail to market.

Mission Bell on County Line

Oro Fino Parlor No. 9, N. D. G. W., of San Francisco will dedicate a Mission Bell sign post Sunday, October 2d, at 2:30 p. m. on the county line. The ceremonies will be conducted by Emma W. Lillie, Past Grand President of the Native Daughters, the Franciscan Fathers, Rev. P. Cummings, and Dan Ryan, Grand President of the Native Sons. The bell will be accepted on behalf of San Francisco by Mayor P. H. McCarthy. The parlor extends an invitation to all Native Sons and Native Daughters, particularly those of San Mateo county and the county officials, as this bell will mark the road joining San Francisco and San Mateo county.

Will Visit Eastern Relatives.

T. C. Rice and wife and children leave next Thursday for an extended visit to the east and will be absent two months or longer. They will go by way of the Northern Pacific, stopping off at the large cities enroute and visiting Mr. Rice's brother in Idaho, after which they will journey to Iowa and remain some time with Mr. Rice's mother who will be remembered as having visited this city with her late husband some years ago. Mr. and Mrs. Rice may continue their trip as far as New York. They will come home by the southern route, thus seeing a large portion of the country.

Hundreds of Tons of Fish.

The busy season is on at the Alaska Codfish Company's establishment near the bay shore. Within the past two weeks two large vessels, the City of Papete and the W. H. Dimond, have arrived with cargoes aggregating 700 tons of fish and a force of sixty men is engaged in preparing the shipment for market. The John D. Spreckles will be due shortly with another cargo and the plant will be busy through the winter. J. J. Hahir of this city is the superintendent of the plant.

Little Angeline Piano, the six-year-old daughter of F. Piano, who resides on Walnut street, had a narrow escape from serious injury Tuesday afternoon while returning from school. At the corner of Broadway and Washington street she was struck by a passing team and thrown down, the horses and wagon passing over her. Fortunately she was not hurt, though frightened almost into hysterics. She was picked up by bystanders and quieted and sent on her way.

A CLEAN JUDGE

Of as much consequence to the people of the state as is the choice of a governor, the contest for this office should not be allowed to overshodow other equally important selections to be made at the coming election. Especially should the utmost care be taken in the selection of our judicial officers—the men who are to preside over the higher courts of the state. For these offices we must have men of peculiar qualifications. Not only must they be men of sound judgment in the ordinary business affairs of life but if the courts are to fill their proper functions, they must also be men well learned in the science of the law and of the highest personal probity.

Judge Thomas J. Lennon of the Superior Court of Marin county, the nominee of the Republican party for Presiding Judge of the District of Appeal for this district, would seem to be exceptionally well fitted for this high office. He has had the advantage of a varied and extensive experience as a practitioner before the State and Federal Courts of California, having for many years before his elevation to judicial office been engaged in the general pratcice of the legal profession. At the same time his record, both in public and private life, is such as to leave no question as to his high personal character.

His record as Superior Judge of Marin County, which office he has filled continuously since the elevation of Judge Angelliotti to the Supreme Court in 1902, has been a most enviable one. That his conduct merited the approval of the whole people of his county is evidenced by the fact that in 1908 he not only received the nomination of the Republican party for reelection but also was given the endorsement of both the Democratic and Union Labor parties as well. At the same time the ability and studious judgment which he brought to the Superior bench is attested by the fact that his decisions have been uniformly upheld by the higher courts.

Judge Lennon is a native Californian, in the very prime of life, having been born at Marysville, Yuba county, in 1866. His earlier education was received in the public schools of his native town. After completing the courses of these schools he became a student at St. Mary's College, San Francisco, where as a schoolmate, the editor of the Times-Gazette made his acquaintance and formed an esteem for his manly traits of character which has continued to this day. And after graduating from this latter institution of learning in 1885, he studied law in San Francisco and was admitted to practice by the Supreme Court of the State in 1888. After his admission to the bar Judge Lennon made hise home in Marin County, although he chose the larger field offered by San Francisco for the practice of his profession.

Judge Lennon certainly possesses all the atributes of knowledge, experience and personal integrity essential in a Judge of a court of last resort. His personal record and ability as a trial judge have met with the approval of the people of his home county without regard to their political affiliation, and his elevation to the Appelate bench by the people of the First Appelate district would seem to be a just reward of intrinsic merit.

JUDGE THOMAS J. LENNON
Republican nominee for Presiding Judge District Court of Appeal.

REMINISCENSES OF OUR PIONEER DAYS

Gleanings From the Records Left By Men Who Laid the Foundation of Our County.

On the 2d of July, 1875, the vicinity of Pescadero was scene of another seemingly couseless tragedy, in which one man lost his life as the result of a slight quarrel. This time the trouble occurred at Pigeon Point, near the end of L. Coburn's lumber chute. A young man named Alexander Rea was in charge of the wharf at this point, and it was he that was the victim, apparently of his own rash acts. The trouble occurred shortly after 8 o'clock in the morning. At the time Coburn and four of his hired men were at the chute, near the wharf. Rea it seems went for, his breakfast, leaving a young man named Kelly, the telegraph operator, in charge during his absence. Rea had been gone but a few moments when a stranger entered the telegraph office for the purpose of sending a dispatch. Shortly after this man entered the office two of the men with Coburn followed him in and ordered him to leave the office. As the man did not move fast enough to suit them they pushed him out. As soon as the stranger found himself outside he hunted up Rea and told him of the difficulty. Rea armed himself with a huge revolver and started for the wharf, where the trouble had commenced, carrying his weapon in sight. As he approached the wharf he was warned away by the men with Coburn, but instead of heeding the warning raised his gun and commenced firing, aiming at a man named Woolf, but missing his mark. When Rea continued to advance the men on the wharf also fired several shots, and apparently some of the bullets from the pistol of young Woolf found their mark, as Rea fell and died within a few moments. An examination of his body shortly after death showed no less than four wounds. Coburn and the four men with him were all arrested and brought to Redwood City, where they were given a preliminary examination before Justice of the Peace Walsh, and held to answer before the grand jury, later being released on bonds of $5000 each.

On the afternoon of July 4th, San Mateo suffered from a disastrous fire, which destroyed the hand some residence of Gustave Mahe, a wealthy resident and president of the French Savings Bank of San Francisco. The fire had its start in the barn, occuring while the family were at diner, and its origin was never made clear. At the time the fire started a severe wind was blowing and the flames soon communicated with the dwelling. Although the residents of the town responded promptly to the alarm of fire and rendered every possible assistance there was but little means of fighting the devouring element at hand and the place was soon a mass of cinders and ashes. So rapidly did the flames spread that it was found impossible to save even the furniture, practically all of which, including many valuable pieces imported from France, with all of the silverware, was destroyed, involving a loss of over $20,000. The only buildings saved were the wine house and vaults, and in these the family made their home for a time. As soon as the fire was out, Mr. Mahe announced his intention of rebuilding.

County politics opened up a little earlier than had usually been the rule this year, both parties holding their conventions during the month of July. Contrary also to the general custom, the Democrats were the first to place their ticket in the field, holding their convention on the 15th. This convention was presided over by John Hayes of the Third Township, George W. Fox acting as secretary. There was but little contest over the nominations, most of which were made by aclamation, the ticket being as follows: For assemblyman, J. C. Maynard; sheriff, John Freeman; treasurer, H. C. Offermann; clerk and recorder, C. E. Kelley; district attorney Harvey Kincaid; assessor, J. J. Hill; auditor, George W. Fox; surveyor, J. J. Cloud; superintendent of schools, J. C. Nash.

The Republican convention was held two weeks later, with A. F. Green as chairman and L. Jaszynsky as secretary. As is usual with the party in the majority and where in many cases a nomination is almost equivalent to an election, there were several contests for the nominations, though the proceedings were harmonious throughout, these contests being of the ordinary and good natured sort. The ticket nominated was as follows: Member of assembly, John Garretson; clerk and recorder, George H. Rice; sheriff, John C. Edgar; district attorney, H. N. Nutting; treasurer, I. R. Goodspeed; auditor, George Barker; assessor, A. P. Johnson; superintendent of schools, G. P. Hartley; coroner, Will Frisbie.

Here is another notice of a new arrival, copied from the Gazette of July 24th, that may awaken some fond memories in the minds of people now with us: "Born, in Redwood City, July 17th, 1875, to the wife of H. E. Heiner, a daughter."

About this time the people of Red wood City, especially its business men, began to realize the necessity for a more safe and up to date means of transacting its financial business and to realize, probably, that an old sock was hardly a safe place for the deposit of their spare money, and the first move for the establishment of a bank was made. This took concerted form on the evening of August 7th, 1875, when a number of the prominent business men of the town met at Kuck's Germania Hall and discussed the financial situation of a reliable banking institution in the town. After a full discussion of the situation it was: "Resolved, that it is the sense of this meeting that a bank should be established in Redwood City, and that a committee of seven be appointed to solicit subscriptions to stock and to draft articles of incorporation." At the same time a committee consisting of C. Livingstone, C. Hanson, William Gock, George H. Kellogg, C. N. Fox, J. H. Offermann and C. N. Felton, was appointed to take the matter in hand and endeavor to secure the necessary subscriptions, and before the meeting adjourned subscriptions to the amount of $20,000 were secured.

At this time the tanning business was beginning to assume considerable importance as a manufacturing industry of the town. At Wentworth's new tannery 18 men were employed in the tinning department and many additions to the place were being constructed. Mechanics were at work erecting an additional building two stories in height and 20 by 30 feet on the ground to be used for the grinding of bark, and a railway was being put in place to handle this commodity. On this tramway the car ran to the wharf and after receiving its load ran to the upper story of the new building, beinng propelled by steam power.

St. Mathews Catholic church at San Mateo was dedicated on Sunday, September 5th, 1875, the services being in charge of Archbishop Alemany, who was assisted by Fathers Dempsey and Bowman, and a number of visiting clergymen. The dedicatory sermon was delivered by Rev. Thomas Gibney.

NEW SANITARY LAWS

ORDINANCE NO. 97

An Ordinance to Protect the Public Health of the Town of Redwood City.

The Board of Trustees of the Town of Redwood City do ordain as follows, towit:

Section 1. The Board of Health may enforce compulsory vaccination whenever in their judgment it may become necessary.

Section II. Whenever a nuisance shall exist on the property of any non-resident or on any property the owner or owners of which cannot be found by the Health Officer, after diligent search, or on the property of any owner or owners upon whom due notice may have been served, and who shall, for three days refuse or neglect to abate the same, or on any town property, it shall be the duty of the Board of Health to cause the said nuisance to be at once removed or abated, and to draw upon the General Fund for such sums as may be required for its removal or abatement, not to exceed one hundred ($100) dollars; provided, that whenever a larger expenditure is found necessary to be made for the removal or suppression of any nuisance, the Board of Trustees of said Town shall, upon the written application of the Board of Health, by ordinance appropriate, allow, or order paid out of the General Fund such sum or sums as may be necessary for that purpose, and the Treasurer shall pay all appropriations of money made in pursuant of this section, in the same manner as is now provided by law for paying demands upon the Treasury. Said sum or sums so paid shall become a public lien upon the property from which said nuisance has been removed or abated in pursuance of this section, and may be recovered by an action against such property. And it shall be the duty of the Town Attorney to foreclose all such liens in the proper court, and in the name of and for the benefit of said Town of Redwood City, and when the property is sold, enough of the proceeds shall be paid into the Town Treasury to satisfy the lien and costs, and the overplus, if any there be, shall be paid to the owner of the property, if he be known, and if not, then into the court for his use when ascertained. Reasonable attorney fees shall be allowed for enforcing liens under this section. The Board of Health is hereby vested with power to act upon define, determine and adjudge what shall constitute a nuisance in said Town, and to require the same to be abated in a summary manner. Any person who maintains permits or allows a nuisance to exist upon his or her property or premises after the same has been determined by the said Board to be a nuisance, and after notice to remove the same has been served upon such person, shall be deemed guilty of a misdemeanor, and shall be punished accordingly; and each day of the existence of such nuisance after notice shall be deemed a separate and distinct offense and it shall be the duty of the Health Officer to prosecute all persons guilty of violating the provisions of this section by continuous prosecutions until such unlawful nuisance is abated or removed.

Section III. Whenever it shall be certified to the Board of Health by the Health Officer that any building, or part thereof, is unfit for human habitation, by reason of its being so infected with disease as to be likely to cause sickness among the occupants, or has become dangerous to life by reason of its want of repair, said Board may issue an order and cause the same to be affixed conspicuously on the building, or the part thereof, and to be personally served upon the owner, agent or lessee, if the same can be found in this state, requiring all persons therein to vacate such building, for the reasons to be stated in said notice as aforesaid. Such building, or part thereof, shall be vacated within ten days thereafter, or within such shorter time, not less than twenty-four hours, as in said notice may be specified; but said Board if it shall become satisfied that the danger from said house, or part thereof, has ceased to exist, may revoke said order and it shall thenceforward become inoperative.

Section IV. Every physician in said Town shall report to the Health Officer, in writing, every patient he shall have laboring under an infectious or contagious disease, and report to said Officer every case of death from such disease immediately after it shall have occurred.

B. Every household in said Town shall forthwith report in writing, to the Health Officer the name of every person boarding or an inmate at his or her house, whom he or she shall have reason to believe sick of any infectious or contagious disease; and any deaths occurring at his or her house from such disease.

Section V. It shall be unlawful for any person to bury within the Town of Redwood City, or to remove beyond the town limits for burial, the body of any deceased person without having first filed with the Health Officer a certificate of death signed by the attending physician.

Section VI. Every undertaker, or other person or persons, before removing any dead body from the Town of Redwood City to any other place beyond the jurisdiction of the Health Officer, shall first procure from the Health Officer a written permit granting such removal. Any person violating Section V or VI of this Ordinance shall be deemed guilty of a misdemeanor, and, upon conviction thereof, shall be punished by a fine of not more than one hundred ($100) dollars or by imprisonment for a period not exceeding thirty days, or by both such fine and imprisonment.

Section VII. No butcher's offal or garbage nor any dead animal, or chicken, or any putrid or offensive animal or vegetable matter, shall be allowed to remain upon the premises of any person, or deposited upon any street, alley or vacant lot, or into any standing water or excavation within the Town limits.

Section VIII. Whenever a case of smallpox, cholera or yellow fever, or other dangerous infections or contagious disease, shall exist in any house or tenement, and it shall be deemed expedient to remove the person or persons so affected to the proper hospital it shall be the duty of the Health Officer to require all such persons to be kept closely confined in their respective dwellings or places of abode, and he shall immediately cause to be erected in a conspicuous place in front of such dwelling, or place of abode, a yellow flag, or other suitable notice, setting forth the fact, and it shall be unlawful for the occupants thereof or any other person, to remove such flag or notice so long as in the opinion of the Health Officer, the same ought to remain on the said premises.

Section IX. The Board of Health must exercise a general supervision over the death records of said town, and may adopt such forms and regulations for the use and government of physicians, undertakers and superintendents of cemeteries as in their judgment may be calculated to secure reliable statistics of the mortality in said Town and prevent the spread of disease.

Section X. The Board of Trustees of said Town must, by ordinance or otherwise, provide for enforcing such orders and regulations as the Board of Health may from time to time adopt.

Section XI. All expenses necessarily incurred in carrying the provisions of this ordinance into effect must be provided for by the Board of Trustees of said Town, who may make an appropriation therefor out of the General Fund.

Section XII. All rules and regulations made and established by the Board of Health of the Town of Redwood City, under and by virtue of the authority conferred on them by this ordinance, shall have full force and effect, and the said rules and regulations may be enforced as herein provided.

Section XIII. It shall be unlawful for any person to resist or attempt to resist the entrance of any member of the Board of Health into any railroad car, stage, vehicle, room, lot or other place in said Town in the performance of his duty, or for any person to lease any house or premises where any person is or has been sick with smallpox, cholera, yellow fever, or any other dangerous, contagious or infectious disease without having first obtained permission so to do from the Board of Health, or for any person to refuse to obey any lawful order of the Board of Health when made in the performance of duties or powers conferred by law, or by Charter or by this ordinance.

Section XIV. Upon the neglect or refusal of any owner, occupant or agent or other person having control of any house, or other place, to abate a nuisance, after having been notified by the Board of Health so to do, in addition to the penalty provided by this article, he shall be liable to said Town for the cost of such abatement, to be recovered in a civil action in any court of competent jurisdiction within said Town.

Section XV. No person shall expose or offer for sale, or sell for human food, any blown, meager, diseased or bad meat, poultry or game, unsound, diseased, or unwholesome fish, fruit, vegetables or other market product, or bring within the Town for sale, or sell, any sick or diseased animal that died a natural death or accidental death.

Section XVI. Every person who, in the Town of Redwood City, conducts a store, stand or shop for sale of vegetables, fruit or meat shall keep all vegetables, fruit and meat that is exposed and offered for sale screened so that same is protected from flies.

Section XVII. Any article or animal that shall be offered or exhibited for sale in any market or elsewhere, as though it were intended for sale, shall be deemed offered and exposed for sale within the intent and meaning of this ordinance.

Section XVIII. Any person, who, in violation of the preceding sections of this ordinance, shall bring within the Town, slaughter or sell or expose for sale any article or animal which is unfit or unsafe for human food shall forfeit the same to the Town, and the Town Marshal or his deputy shall sieze and forthwith remove the same, at the expense of the owner, in such manner, under the directions of the Board of Health, as will insure the safety and protection of the public health.

Section XIX. Every owner, lessee, tenant or occupant of any stable, stall or apartment in which any horse, cow, or other animal shall be kept, or of any place in which manure or liquid discharge of any such animal shall collect or accumulate, shall cause such manure or liquid to be removed to some other place, and shall at all times keep, or cause to be kept, such stables, stalls and appurtenances thereof in a cleanly and wholesome condition. No swine shall be kept within three hundred feet of any dwelling house.

Section XX. It shall be unlawful for any person to use any cart or vehicle for the conveyance or removal of swill, garbage, filth, offal of any kind, or any offensive or ill smelling matter, or any mixture of swill, garbage, filth, offal of any kind, or any offensive or ill smelling matter unless the said cart or vehicle is staunch, tight and closely covered with a wooden or metal cover so as to wholly prevent leakage or smell; or to use any cart or vehicle for the conveyance or removal of manure, rubbish or street sweepings unless the said cart or vehicle be provided with a canvas cover securely fastened over the top thereof, and be so constructed as to prevent the deposit of such manure, rubbish or street sweepings, or any portion thereof, in or upon the streets through which said cart or vehicle may be driven.

Section XXI. The drainage and sewering system of every house or building heretofore erected within the Town, unless too distant from the public sewer system of the Town to allow of sufficient fall or drainage if connected to the same, must be by its owner or agent, disconnected from any cesspool with which it is connetced and be connected with and to the public, or street sewer system of the Town.

Section XXII. Every person upon whose property there now is, or shall hereafter be, an unused or abandoned cesspool disconnected as in this article provided, shall cause the said cesspool to be filled with earth, the said earth filling to cover all refuse matter in said cesspool to a depth of not less than three feet.

Section XXIII. It is hereby declared unlawful for any person to expectorate upon any sidewalk or upon the floors of any public buildings in the Town of Redwood City.

Every person who shall violate any of the provisions of this article or any of the rules and regulations made and established by the Board of Health under and by virtue of this ordinance, or shall fail or refuse to comply with any lawful order or direction of the Board of Health or Health Officer without delay, shall be deemed guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine not exceeding one hundred ($100) dollars, or by imprisonment for a period not exceeding thirty days.

Section XXIV. All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed.

Section XV. This ordinance shall be published once in the Times-Gazette, a weekly newspaper published and printed in the Town of Redwood City and shall take effect and be in force from and after its passage.

Introduced Aug. 8, 1910.

Passed and adopted as an Ordinance of the Town of Redwood City, by the Board of Trustees of said Town at a regular meeting of said Board held on the 22 day of August, 1910, by the following vote:

Ayes and in favor of the passage of said Ordinance: Trustees Robt. Brown, C. J. Hynding, E. H. Sampson, Geo. A. Merrill.

Noes and against the passage of said Ordinance, none.

Absnet, Trustee Carl Beeger.

GEO. A. MERRILL,
President of the Board of Trustees of the Town of Redwood City.

Attest: G. C. PLUMP,
Clerk of the Town of Redwood City.

I hereby approve the above Ordinance this 22d day of August, 1910.

GEO. A. MERRILL,
President of the Board of Trustees of the Town of Redwood City.

BLOCKADED

Every Household in Redwood City Should Know How to Resist It.

The back aches because the kidneys are blockaded.

Help the kidneys with their work.

The back will ache no more.

Lots of proof that Doan's Kidney Pills do this.

It's the best proof, for it comes from Redwood City.

Mrs. A. H. Lanfear, Heller and Chestnut streets, Redwood City, Cal., says: "We consider Doan's Kidney Pill an excellent remedy and can give them the strongest recommendation. About three years ago they were first used in our family, when we lived in Buffalo, N. Y. Their use in my case brought prompt and positive relief from pain and lameness in the back and other distressing difficulties due to weak kidneys. To say the least, the results were gratifying. Another person in our household who suffered from backache found Doan's Kidney Pills very effective and has ussd them off and on since then with good results."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

NEW CITY BUILDING ON PHELPS STREET

Members of Council Indicate a Preference for Site of New Municipal Structure

The City Trustees began their winter season rather early this year, taking advantage of an adjourned session to begin their meetings at 7:30 one week earlier than the rule provided in their rules. Owing to the absence of Mayor Merrill, who was on a business trip to Los Angeles, and the inability of Henry Steinberger of the Board of School Trustees to attend, the session was an extremely short one, completing its business within an hour, as no attempt was made to dispose of any but a few matters of routine business. The chief purpose of the meeting of the Trustees had been for the purpose of a conference with the trustees of the school district with a view to determining the most expeditious means of securing to the city a right of way over the school property for the extension of Phelps street, but owing to the absence of the two officials named, it was deemed best to delay the matter until a full conference could be secured and this important subject was put over until Thursday evening, when it was assured that both Mr. Steinberger and Trustee Merrill would be present.

In the absence of Mayor Merrill the Council was called to order by Clerk Plump, and Trustee Brown was elected as temporary presiding officer.

L. Brout presented a written application asking that $12.30 be refunded to him as an unused portion of his saloon license to his successor having been granted to date from October 1st, while he had paid a license to October 6th. Brout having been practically forced out of business by the Council, the case was considered a rather unusual one and it was considered equitably he should be entitled to a refund of the unused portion of the license fee paid by him. When it came to figuring the amount due, however, the Trustees found that he had rather over estimated and he was allowed a rebate of $8.40, or the actual figures of a six days proportion.

The United Gas & Electric Company was granted permission to open a portion of the County Road for the purpose of laying gas mains.

Mrs. Josephine Christ presented a petition, asking that a street lamp be placed at the corner of Willow street and the County road. Apparently the Trustees were not convinced of the necessity of an additional light at this particular point and the petition was referred to the public utilities committee for investigation.

The claim of T. C. Rice for street work in district 14, in Dingee Park, amounting to $5356, was allowed, no objections being made to the acceptance of the work.

Hearing on the application of McGarvey, Hess & Kreiss for the acceptance of macadamizing and grading of streets in district 14 was laid over until the next regular meeting.

Mr. Genochio asked the Council to extend the contemplated street improvement on Holder street for a distance of two blocks farther east so as to include his property As it appeared that Mr. Genochio owned but a portion of the property affected the request was referred to Trustee Hynding for investigation, with the understanding that the Trustees were willing provided the consent of the owners of the remainder of the property could be obtained.

Trustee James V. Swift of the grammar school district explained to the Council that while the remaining members of the board were present it was found impossible for Trustee Steinberger to be present at the meeting and that it would be more satisfactory to the school board to defer the discussion of the matter of a transfer of the school property needed in the extension of Phelps street until a full board might meet. At the same time he stated that Attorney Henry Walker, had been asked to be present as the legal advisor of the school department. Although the Council expressed a preference for a discussion of the question before a full attendance of both boards affected, Mr. Walker gave some explanation of the legal methods necessary and advised as to the most expeditious means of placing the city in legal possession of the needed right of way. It being stated that both Mayor Merrill and Trustee Steinberger could be present at that date, it was decided to postpone action until Thursday evening, to which date an adjournment was then taken.

When theappointed time Thursday evening arrived, however, it was found that no better success was to be had in securing a full conference. Although Chairman Merrill had returned from his trip to Los Angeles and was present, Trustees Beeger and Hynding were unable to attend. School Trustees Steinberger, Littlejohn and Swift were ready at the meeting, but when it was seen that a full attendance of the Council was not to be secured they concluded to take their departure and attend to the regular business of the school board, leaving attorney Walker to explain to their Council their position in the matter and to enlighten them as to legal status of the property and the proceedure necessary for its disposition.

When the meeting of the Council was formally opened Attorney Walker was invited to a seat at the table, occupying a chair which he formerly filled as a member of the Board. In explaining the status of the property Mr. Walker told the Council that after full investigation he had became convinced that the property belonged absolutely in fee to the school district, to be disposed of in such manner as seemed to be for the greatest general benefit of the district. He had found that the deed from Hawes to the school district was an absolute one, given for a valuable consideration and was without recourse or reservation. In this view it was within the power of the school district to sell the property through the proper legal methods. To do this he advised that under the law the school board should call a public meeting by resolution to which the question should be submitted. Mr. Walker also stated that it was the opinion of the Trustees that the sale of the desired portion of the property would prove of advantage to the people of the school district and that the consideration should be a merely nominal one.

Discussion of the amount of the school property desired made it evident that the consensus of opinion of the members of the Council was that the new city hall should be located on the extension of Phelps street, in the vicinity of the old kindergarten school. As this had not been definitely settled and the exact extent of property required could not be certainly determined, the Council requested that the school board should delay definite action for a short time. Thus the matter is left with a practical settlement of two questions, the clearing up of the right of way for the opening of Phelps street and the determination of the mooted question of the location for the new municipal building.

But little other business was transacted, although the Council remained in session until a rather late hour, much of the time being spent in a conference with L. M. Fletcher, of the Doak Steel company, over material to be furnished for the culverts for the storm water outlet in the improvement of the County Road.

Some few changes were authorized in the plans for the new bridge at the foot of East Bradford street. These were made with a view of providing more satisfactory approaches.

Street Superintendent Dickey was given authority to construct a six-inch sewer in the County Road from Hopkins to Brewster avenue.

City Attorney Mansfield reported that good progress was being made in securing of deeds for the right of way for the extension of Phelps street.

NEW GYMNASIUM TO BE GREAT PUBLIC BENEFIT

Admirers of indoor athletics are to be given some splendid opportunities for enjoyment this winter. On Saturday evening, October 8th, the newly refitted gymnasium is to be formally opened to the public under the control of the Bachelors On this occasion there will be a free exhibition of athletic skill by several athlets of Stanford University, as well as several stunts by some of Redwood City's ambitious young men. As the evening promised to be instructive as well as entertaining the public should attend in goodly numbers and show their appreciation of the good work of the Club.

Monday evenings have been selected as the regular meeting nights, and the hall will be occupied for this purpose every Monday evening. So far no definite arrangements have been made for the remaining evenings of the week. At the last meeting the Club voted its thanks to the Town Trustees for the courtesy of free use of water necessary for the gymnasium. As the amount of water at the disposal of the Club is limited it was also urged that all who use the gymnasium exercise care in this regards.

Pupils of the Grammar School will be given the use of the gymnasium on Monday, Tuesday and Thursday afternoons of each week. On Wednesdays and Fridays the hall will be at the disposal of the pupils of the High School. For the protection of the floor, it has been made a rule that all must wear rubber soled shoes when on the floor

October 15th has been set as the date of the big benefit ball. Every pain is to be taken to make this a popular affair. The gymnasium can not be kept up without funds and as it is for the benefit of the public, people should make it a point to patronize this ball and help provide the funds for their own benefit.

NEXT SUNDAY'S GAME, SHOE FACTORY BENEFIT.

The Mish Company came to town Sunday but went away defeated. Up to the seventh inning they put up as classy a game as was ever seen on the local diamond. When little Goldy, the shortstop, ctouted one into left field that gave him three bags, they seemed to lose heart. The boys took seven and gave them nothing.

At Newark onSaturday the boys took 2 and gave nothing. In both games the local team played without an error.

Next Sunday will be a gala day in baseball. The Beat Sols are coming back for another victory. In addition to having subscribed $50 to the factory fund, the baseball club has decided to turn over the net proceeds of next Sunday's game to the shoe factory also, and Sunday ought to see every seat taken and no one peeping through the fence. Admission on this occasion will be 25 cents straight.

Duplicating Its Plant.

The Redwood City Water Company is placing another water tank at its pumping station to hold 3500 gallons, at an expense of $500. This is being done to provide an additional supply in case of emergency, and completes the duplication of each portion of the plant, making it one of the most complete of its size in the country.

Will Distribute $5000

The secretary of the San Mateo County Building and Loan Association reports the maturing of Series 30 of the association and $5000 will be paid to the holders of shares therein on Saturday. Shares in the new series, No. 72 are being subscribed for quite rapidly.

Map of New Town Ready

The Ravenswood Investment Company is having a map prepared of the town of Ravenswood, which property will be placed on the market in the course of ten days or so. This townsite is at the western terminus of the Dumbarton bridge and is laid off in an attractive manner. The town will front on the railroad and has a half circle in the business center, similar to that in Palo Alto, but twice as large. University avenue will extend from this southerly through the tract to Woodland Place, to connect with University avenue at the San Francisquito creek. Westerly from the business section of Ravenswood are located large lots that have been set apart for factory sites. The center of the business section is about a half mile from the bay shore. The town of Ravenswood is already on the Southern Pacific time table as a regular station on the Dumbarton cutoff. The extension of the Peninsular electric line to the bridge will be made in due time.

Light District Victory

The splendid victory recorded by the supporters of the lighting district at the eletcion last Tuesday shows the people are fully alive to their own interest and can always be depended upon to do their duty. The vote cast was a large one, demonstrating the interest taken by the voters. The vote cast in favor of the formation of the district was 145 and those against it was 16. Many of the wealthier class voted against the district through some misapprehension. It is proposed to light the whole territory included in the satinary district, although this is a matter that is left to the supervisors who will grant whatever request the taxpayers in the territory request. It is thought 20 cents on the $100 will cover the cost of establishing and maintaining the light system in the whole district. It may be just possible t hat some lights can be eliminated thus reducing the cost, however this will be a matter for the taxpayers to thresh out.

New Methodist Pastors

The conference of the Methodist church just closed at Pacific Grove, did not make many changes of pastors in San Mateo county. Halfmoon Bay, South San Francisco and Burlingame have their present pastors returned. Rev. Sylvester of San Mateo goes to Nevada City and Rev. F. Sheldon of Hollister goes to San Mateo. Rev. T. Leak leaves Redwood City for Berryessa and Evergreen near San Jose. The church there has a large membership and pays a larger salary. The church at Redwood will have a minister assigned it at an early date.

NOTICE TO VOTERS

Notice is hereby given to the electors of the State of California that the following acts will be submitted to the people of the State of California for their ratification at the next general election, to be holden on the eighth day of November, A. D. 1910, to wit:

SENATE BILL NO. 485.

Passed the Senate, March 8, A. D. 1909. Lewis A. Hilborn, Secretary of the Senate.

Passed the Assembly, March 15, A. D. 1909. Cilo Lloyd, Chief Clerk of the Assembly.

This bill was received by the Governor this 19th day of March, A. D. 1909, at 11 o'clock A. M. E. C. Cooper, Private Secretary of the Governor.

CHAPTER 320. *An act to provide for the issuance and sale of state bonds to create a fund for the improvement of San Francisco harbor by the construction by the board of state harbor commissioners of wharves, piers, state railroad, spurs, betterments, and appurtenances and necessary dredging and filling in connection therewith in the city and county of San Francisco; to create a sinking fund for the payment of said bonds; to define the duties of state officers in relation thereto; to make an appropriation of five thousand dollars for the expense of printing said bonds; and to provide for the submission of this act to a vote of the people.*

The people of the State of California, represented in senate and assembly, do enact as follows:

SECTION 1. For the purpose of providing a fund for the payment of the indebtedness hereby authorized to be incurred by the board of state harbor commissioners for the erection of wharves, piers, seawall, state railroad, spurs, betterments and appurtenances and necessary dredging and filling in connection therewith in the city and county of San Francisco, at a cost not to exceed nine million dollars (which said wharves, piers, seawall, state railroad, spurs, betterments and appurtenances and necessary dredging and filling in connection therewith the board of state harbor commissioners are hereby empowered to construct and do in the manner, authorized by law, and at a cost not to exceed said nine million dollars), the state treasurer shall, immediately after the issuance of the proclamation of the governor, provided for in section 10 hereof, prepare nine thousand suitable bonds of the State of California, in the denomination of one thousand dollars each. The whole issue of said bonds shall not exceed the sum of nine million dollars, and said bonds shall bear interest at the rate of four per centum per annum, from the date of issuance thereof, and both principal and interest shall be payable in gold coin of the present standard value, and they shall be payable at the office of the state treasurer, at the expiration of seventy-four years from their date, subject, however, to redemption by lot as in this act hereinafter provided. Said bonds shall bear date the second day of July, A. D. nineteen hundred and eleven, and shall be made payable on the second day of July, nineteen hundred and eighty-five. The interest accruing on such of said bonds as are sold, shall be due and payable at the office of the state treasurer on the second day of January, and on the second day of July, of each year after the sale of the same; provided, that the first payment of interest shall be made on the second day of July, nineteen hundred and twelve, on so many of said bonds as may have been theretofore sold. At the expiration of seventy-four years from the date of said bonds, all bonds sold shall cease to bear interest and likewise all bonds redeemed by lot shall cease to bear interest as in this act provided, and the said state treasurer shall call in, forthwith pay and cancel the same, out of the moneys in the second San Francisco seawall sinking fund provided for in this act, and, he shall on the first Monday of July, nineteen hundred and eighty-five, also cancel and destroy all bonds not theretofore sold. All bonds issued shall be signed by the governor, and countersigned by the controller, and shall be endorsed by the state treasurer and the said bonds shall be so signed, countersigned and endorsed by the officers who are in office on the second day of July, 1911, and each of said bonds shall have the seal of the state stamped thereon. The said bonds signed, countersigned and endorsed and sealed as herein provided when sold shall be and constitute a valid and binding obligation upon the State of California, though the sale thereof be made at a date or dates after the person signing, countersigning and endorsing, or any or either of them, shall have ceased to be the incumbents of such office or offices. Each bond shall contain a clause that it is subject to redemption by lot after the year nineteen hundred and fifty.

SEC. 2. Interest coupons shall be attached to each of said bonds, so that such coupons may be removed without injury to, or mutilation of the bond. Said coupons shall be consecutively numbered, and shall bear the lithographed signature of the state treasurer who shall be in office on the second day of July, 1911. But no interest on any of said bonds shall be paid for any time which may intervene between the date of any of said bonds and the issue and sale thereof to a purchaser, unless such accrued interest shall have been, by the purchaser of said bond, paid to the state at the time of such sale.

SEC. 3. The sum of five thusand dollars is hereby appropriated to pay the expense that may be incurred by the state treasurer in having said bonds prepared. Said amount shall be paid out of the San Francisco harbor improvement fund on controller's warrants, duly drawn for that purpose.

SEC. 4. When the bonds authorized to be issued under this act shall be duly executed, they shall be by the state treasurer sold at public auction to the highest bidder for cash, in such parcels and numbers as said treasurer shall be directed by the governor of the state, under seal thereof, after a resolution requesting such sale shall have been adopted by the board of state harbor commissioners, and approved by either the governor of the state or mayor of the city and county of San Francisco, who shall only approve the same when in their judgment the actual harbor receipts, and those reasonably anticipated, will justify such sale of bonds and the consequent increased burden on harbor receipts; but said treasurer must reject any and all bids for said bonds, or for any of them, which shall be below the par value of said bonds so offered plus the interest which has accrued thereon between the date of sale and the last preceding interest maturity date; and he may, by public announcement at the place and time fixed for the sale, continue such sale, as to the whole of the bonds offered, or any part thereof offered, to such time and place as he may select. Before offering any of said bonds for sale the said treasurer shall detach therefrom all coupons which have matured or will mature before the date fixed for such sale. Due notice of the time and place of sale of all bonds must be given by said treasurer by publication in two newspapers published in the city and county of San Francisco, and also by publication in one newspaper published in the city of Oakland, and by publication in one newspaper published in the city of Los Angeles, and by publication in one newspaper published in the city of Sacramento, once a week during four weeks prior to such sale. In addition to the notice last above provided for, the state treasurer may give such further notice as he may deem advisable, but the expenses and cost of such additional notice shall not exceed the sum of five hundred dollars ($500.00) for each sale so advertised. The cost of such publication shall be paid out of the San Francisco harbor improvement fund, on controller's warrants duly drawn for that purpose. The proceeds of the sale of such bonds except such amount as may have been paid as accrued interest thereon shall be forthwith paid over by said treasurer into the treasury, and must be by him kept in a separate fund to be known and designated as the "Second San Francisco Seawall Fund" and must be used exclusively for the construction of wharves, piers, seawall, state railroad, spurs, betterments and appurtenances and necessary dredging and filling in connection therewith on the water front of the city and county of

San Francisco. Drafts and warrants upon said fund shall be drawn upon and shall be paid out of said fund in the same manner as drafts and warrants are drawn upon and paid out of the San Francisco harbor improvement fund. The amount that shall have been paid at the sale of said bonds as accrued interest on the bonds sold shall be, by the state treasurer, immediately after such sale, paid into the treasury of the state and placed in the "Second San Francisco Seawall Sinking Fund."

SEC. 5. For the payment of the principal and interest of said bonds a sinking fund, to be known and designated as the "Second San Francisco Seawall Sinking Fund" shall be, and the same is hereby created, as follows, to wit: The state treasurer, after the second day of July, nineteen hundred and twenty-nine, shall on the first day of each and every month thereafter, after the sale of said bonds, take from the San Francisco harbor improvement fund such sum as, multiplied by the time in months, the bonds then sold and outstanding have to run, will equal the principal of the bonds sold and outstanding at the time said treasurer shall so take said sum from said San Francisco harbor improvement fund, less the amount theretofore taken therefrom for said purpose; and he shall place the sum in the second San Francisco seawall sinking fund created by this act. Said state treasurer shall, on controller's warrants duly drawn for that purpose, employ the moneys in said sinking fund in the purchase of bonds of the United States, or of the State of California, or of the several counties or municipalities of the State of California, which said bonds shall be kept in a proper receptacle, appropriately labeled; but he must keep always on hand a sufficient amount of money in said sinking fund with which to pay the interest on such of the state bonds herein provided to be issued as may have theretofore been sold. And to provide means for the payment of interest on the bonds that may be sold and outstanding, said treasurer shall monthly take from the San Francisco harbor improvement fund, and pay into said seawall sinking fund, an amount equal to the monthly interest then due on all bonds then sold, delivered and outstanding. The board of state harbor commissioners is hereby authorized and directed by the collection of dockage, tolls, rents, wharfage and cranage to collect a sum of money sufficient for the purposes of this act, over and above the amount limited by section two thousand five hundred and twenty-six of the Political Code of the State of California. Between the first and tenth day of May, in the year nineteen hundred and fifty-one and between the first and tenth day of November of each year thereafter until the maturity of said bonds, the said treasurer shall, in the presence of the governor, proceed to draw by lot such an amount of bonds as shall be requisite to exhaust as nearly as may be the amount in said sinking fund at that time, and shall thereupon and before the tenth day of June following, give notice by public advertisement to be inserted twice a week for two weeks in two newspapers published in the city and county of San Francisco, and also in one newspaper published in the city of Oakland, and also in one newspaper published in the city of Los Angeles, and also in one newspaper published in the city of Sacramento, stating the number of bonds so drawn and that the principal of said bonds will be paid on presentation to the treasurer on or before the second day of July, following, and that from and after such last named date all interest upon bonds thus drawn shall cease, and it shall be the duty of the treasurer as soon as said bonds so drawn by lot are surrendered to him and paid to cancel the same, and the interest coupons thereon, and each year beginning with the year nineteen hundred and fifty-one, the said treasurer shall, in the manner aforesaid, proceed to draw by lot such an amount of bonds as shall be requisite to exhaust as nearly as may be the amount in said sinking fund, and proceed in the manner hereinabove stated. After the payment of all said bonds, the surplus or balance remaining in said sinking fund, if any there be, shall forthwith be paid into the San Francisco harbor improvement fund. At the time of the respective drawings by lot aforesaid, and also at the maturity of said state bonds, said treasurer shall sell the United States or other bonds then in said sinking fund, at governing market rates, after advertising the sale thereof in the manner hereinbefore provided for the sale of bonds hereby authorized to be issued, and shall use the proceeds for the payment of such bonds as may be drawn by lot, and at the maturity of said bonds outstanding shall pay and redeem said matured outstanding bonds out of said moneys in said fund in extinguishment of said bonds on controller's warrants duly drawn for that purpose.

SEC. 6. The state controller and the state treasurer shall keep full and particular account and record of all their proceedings under this act, and they shall transmit to the governor an abstract of all such proceedings thereunder, with an annual report, to be by the governor laid before the legislature biennially; and all books and papers pertaining to the matter provided for in this act shall at all times be open to the inspection of any party interested, or the governor, or the attorney-general, or a committee of either branch of the legislature, or a joint committee of both, or any citizen of the state.

SEC. 7. It shall be the duty of the state treasurer to pay the interest of said bonds, when the same falls due, out of the sinking fund provided for in this act, on controller's warrants duly drawn for that purpose.

SEC. 8. This act, if adopted by the people, shall take effect on the thirty-first day of December, nineteen hundred and ten, as to all its provisions except those relating to and necessary for its submission to the people, and for returning, canvassing, and proclaiming the votes, and as to said excepted provisions this act shall take effect immediately.

SEC. 9. This act shall be submitted to the people of the State of California for their ratification at the next general election, to be holden in the month of November, nineteen hundred and ten, and all ballots at said election shall have printed thereon and at the end thereof, the words, "For the San Francisco Harbor Improvement Act of 1909," and in the same square under said words the following, in brevier type: "This act provides for the improvement of San Francisco harbor and for the payment of all costs thereof out of San Francisco Harbor Improvement Fund." In the square immediately below the square containing said words, shall be printed on said ballot the words: "Against the San Francisco Harbor Improvement Act of 1909," and immediately below said words "Against the San Francisco Harbor Improvement Act of 1909" in brevier type shall be printed "This act provides for the improvement of San Francisco harbor and for the payment of all costs thereof out of the San Francisco Harbor Improvement Fund." Opposite the words "For the San Francisco Harbor Improvement Act of 1909," and "Against the San Francisco Harbor Improvement Act of 1909," there shall be left spaces in which the voters may make or stamp a cross to indicate whether they vote for or against said act, and those voting for said act shall do so by placing a cross opposite the words "For the San Francisco Harbor Improvement Act of 1909" and all those voting against the said act shall do so by placing a cross opposite the words "Against the San Francisco Harbor Improvement Act of 1909." The governor of this state shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

SEC. 10. The votes cast for or against this act shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for state officers; and if it appear that said act shall have received a majority of all the votes cast for and against it at said election as aforesaid, then the same shall have effect as hereinbefore provided, and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the governor shall make proclamation thereof, and the same shall be and become void.

SEC. 11. It shall be the duty of the secretary of state to have this act published in at least one newspaper in each county, or city and county, if one be published therein, throughout this state, for three months next preceding the general election to be holden in the month of November, nineteen hundred and ten, the costs of publication shall be paid out of the San Francisco harbor improvement fund, on controller's warrants duly drawn for that purpose.

SEC. 12. This act may be known and cited as the "San Francisco Harbor Improvement Act of 1909."

SEC. 13. All acts and parts of acts in conflict with the provisions of this act are hereby repealed.

CHAPTER 383. *An act authorizing the construction, acquisition, maintenance and control of a system of state highways in the State of California, creating the fund out of which the payments to be made by counties for moneys expended therein; providing for the issuance and sale of state bonds to create a fund for the construction and acquisition of such system; creating a sinking fund for the payment of said bonds; and providing for the submission of this act to a vote of the people.*

The people of the State of California, represented in senate and assembly, do enact as follows:

SECTION 1. A system of state highways in and for the State of California shall be constructed and acquired as and in the manner provided by law by an department of engineering of said state at a cost not to exceed eighteen million dollars. For the purpose of providing for the payment of the cost of the construction or acquisition of said system of said highways, the State of California is hereby authorized to incur an indebtedness in the manner provided by this act in the sum of eighteen million dollars.

Immediately after the issuance of the proclamation of the governor, as provided in section 11 of this act, the treasurer of the state shall prepare eighteen thousand suitable bonds of the State of California in the denomination of one thousand dollars each, to be numbered from 1 to 18,000 inclusive, and to bear the date of the third day of July, 1911. The total issue of said bonds shall not exceed the sum of eighteen million dollars and they shall bear interest at the rate of four per cent per annum from the date of issuance thereof. The said bonds and the interest thereon shall be payable in gold coin of the United States of the present standard of value at the office of the treasurer of said state at the times and in the manner following, to wit: The first four hundred of said bonds shall be due and payable on the third day of July, 1917, and four hundred of said bonds in consecutive numerical order shall be due and payable on the third day of July, in each and every year thereafter until and including the third day of July, 1951. The interest accruing on all of said bonds that shall be sold shall be payable at the office of the treasurer of the state on the third day of January and the third day of July of each and every year after the sale of the same. The interest on all bonds issued and sold shall cease on the day of their maturity and the said bonds so issued and sold shall on the day of their maturity be paid as herein provided and canceled by the treasurer of said state. All bonds remaining unsold shall, at the date of the maturity thereof be by the treasurer of the state canceled and destroyed. All bonds issued pursuant to the provisions of this act shall be signed by the governor of this state, countersigned by the state controller and endorsed by the state treasurer, and the said bonds shall be so signed, countersigned and endorsed by the officers who are in office on the third day of July, 1911, and each of said bonds shall have the great seal of the State of California impressed thereon. The said bonds signed, countersigned, endorsed and sealed as herein provided, when sold, shall be, and constitute a valid and binding obligation upon the State of California, though the sale thereof be made at a date or dates after the ~~person so signing, countersigning~~ and endorsing, or either of them, shall have ceased to be the incumbents of said office or offices.

SEC. 2. Appended to each of said bonds there shall be interest coupons so attached that the same may be detached without injury to or mutilation of said bond. The said coupons shall be consecutively numbered, and shall bear the lithographed signature of the state treasurer who shall be in office on the third day of July, 1911. No interest shall be paid on any of said bonds for such time as may intervene between the date of said bond and the day of sale thereof, unless such accrued interest shall have been, by the purchaser of said bond, paid to the state at the time of such sale.

SEC. 3. There shall be provided in the general appropriation bill sufficient money to defray all expenses that shall be incurred by the state treasurer in the preparation of said bonds and in the advertising of the sale thereof, as in this act provided.

SEC. 4. When the bonds authorized by this act to be issued shall have been signed, countersigned, endorsed and sealed as in section one provided, the state treasurer shall sell the same in such parcels and numbers as the governor of the state shall direct, to the highest bidder for cash. The governor of the state shall issue to the state treasurer such direction immediately after being requested so to do, through and by a resolution duly adopted and passed by a majority vote of the advisory board of the department of engineering. Said resolution shall specify the amount of money which, in the judgment of said advisory board shall be required at such time and the governor of the state shall direct the state treasurer to sell such number of said bonds as may be required to raise said amount of money and that said bonds shall be sold in consecutive numerical order commencing with the first four hundred thereof. The state treasurer shall not accept any bid which is less than the par value of the bond plus the interest which has accrued thereon between the date of sale and the last preceding interest maturity date. The state treasurer may at the time and place fixed by him for said sale continue such sale as to the whole or any part of the bonds offered to such time and place as he may at the time of such continuance designate. Before offering any of said bonds for sale, the said treasurer shall detach therefrom all coupons which have matured or will mature before the date fixed for such sale. The state treasurer shall give notice of the time and place of sale by publication in two newspapers published in the city and county of San Francisco and in one newspaper published in the city of Oakland, and in one newspaper published in the city of Los Angeles and in one newspaper published in the city of Sacramento once a week for four weeks next preceding the date fixed for such sale. In addition to the notice last above provided for, the state treasurer may give such further notice as he may deem advisable, but the expenses and cost of such additional notice shall not exceed the sum of five hundred dollars for each sale so advertised.

There is hereby created in and for the state treasury a fund to be known and designated as the "State Highway Fund," and immediately after such sale of bonds the treasurer of the state shall pay into the state treasury and cause to be placed in said state highway fund the total amount received for said bonds, except such amount as may have been paid as accrued interest thereon. The amount that shall have been paid at such sale as accrued interest on the bonds sold shall be by the treasurer of the state, immediately after such sale, paid into the treasury of the state and placed in the interest and sinking fund.

The moneys placed in the state highway fund, pursuant to the provisions of this section, shall be used exclusively for the acquisition of rights of way for and the acquisition and construction of said system of state highways. The route or routes of said state highways shall be selected by the department of engineering and said route shall be so selected and said highways so laid out and constructed or acquired as to constitute a continuous and connected state highway system running north and south through the state traversing the Sacramento and San Joaquin valleys and along the Pacific coast by the most direct and practicable routes, connecting the county seats of the several counties through which it passes and joining the centers of population, together with such branch roads as may be necessary to connect therewith the several county seats lying east and west of such state highway.

Moneys shall be drawn from said state highway fund for the purposes of this act upon warrants duly drawn by the controller of the state upon demands made by the department of engineering and audited by the state board of examiners.

SEC. 5. There is hereby appropriated from the general fund in the state treasury such sum annually as will be necessary to pay the principal of and the interest on bonds, issued and sold pursuant to the provisions of this act, as said principal and interest becomes due and payable.

There shall be collected annually in the same manner and at the same time as other state revenue is collected such a sum, in addition to the ordinary revenues of the state as shall be required to pay the principal and interest on said bonds as herein provided, and it is hereby made the duty of all officers charged by law with any duty in regard to the collection of said revenue, to do and perform each and every act which shall be necessary to collect such additional sum.

The treasurer of the state shall, on the first day of January, 1912, and on the first day of each July and the first day of each January thereafter transfer from the general fund of the state treasury to the interest and sinking fund such amount of the money by this act appropriated as shall be required to pay the interest on the bonds theretofore sold, until the interest on all of said bonds so sold shall have been paid or shall have become due in accordance with the provisions of this act.

There is hereby created in the state treasury a fund to be known and designated as the "State Highway and Sinking Fund." The treasurer of the state shall on the first day of July of the year 1917, and on the first day of July, of each and every year thereafter in which a parcel of the bonds sold pursuant to the provisions of this act shall become due, transfer from the general fund of the state treasury to the said state highway sinking fund such an amount of the moneys appropriated by this act as may be required to pay the principal of all bonds and becoming due and payable in such years.

SEC. 6. The principal of all of said bonds sold shall be paid at the time the same becomes due, from the state highway sinking fund, and the interest on all bonds sold shall be paid at the time said interest becomes due, from the interest and sinking fund. Both principal and interest shall be so paid upon warrants duly drawn by the controller of the state upon demands audited by the state board of examiners, and the faith of the State of California is hereby pledged for the payment of the principal of said bonds so sold, and the interest accruing thereon.

SEC. 7. The state controller and state treasurer shall keep full and particular account and record of all their proceedings under this act and they shall transmit to the governor in triplicate an abstract of all such proceedings thereunder with an annual report in triplicate, one copy of each to be by the governor, laid before each house of the legislature biennially. All books and papers pertaining to the matter provided for in this act shall, at all times, be open to the inspection of any party interested, or the governor, or the attorney-general, or a committee of either branch of the legislature or a joint committee of both or any citizen of the state.

SEC. 8. The highway constructed or acquired under the provisions of this act shall be permanent in character and be finished with oil or macadam or a combination of both, or such other material as in the judgment of the said department of engineering shall be most suitable and best adapted to the particular locality traversed. The state department of engineering, in the name of the people of the State of California, may purchase, receive by donation or dedication, or lease any right of way, rock quarry or land necessary or proper for the construction, use or maintenance of said highways and shall proceed, if necessary, to condemn under the provisions of the Code of Civil Procedure relating to such proceedings any necessary or proper right of way, rock quarry or land. The department of engineering shall have full power and authority to purchase all supplies, material, machinery and to do all other things necessary or proper in the construction and maintenance of said state highway. With the exception of those public highways which have been permanently improved under county or permanent road division bond issues within three years prior to the adoption of this act, all public highways within this state having the right of way of said state highway as determined and adopted by the department of engineering shall be and the same shall become a part of the right of way of said state highway, without compensation to be paid therefor. Provided nothing herein contained shall require the state to maintain any highway along or on said right of way, prior to the completion or acquisition of the improvements contemplated by this act. Whenever any money received from the sale of bonds, under the provisions of this act, shall be expended in any county in this state, such county must pay into the state treasury a sum which shall be, or shall equal the interest, at the rate of four per cent per annum, upon the entire sum of money expended within such county in the construction of said state highways, less such portion of said amount expended as the bonds issued under the provisions of this act, shall bear to the total number of bonds sold and outstanding. All highways constructed or acquired under the provisions of this act shall be permanently maintained and controlled by the State of California.

SEC. 9. This act, if adopted by the people, shall take effect on the thirty-first day of December, 1910, as to all its provisions except those relating to, and necessary for, its submission to the people and for returning, canvassing and proclaiming the votes, and to such accepted provisions this act shall take effect immediately.

SEC. 10. This act shall be submitted to the people of the State of California for their ratification at the next general election to be holden in the month of November, 1910, A. D., and all ballots at said election shall have printed thereon, and at the end thereof, the words "For the state highway act"; and in a separate line, under the same, the words "Against the state highway act." Opposite said lines there shall be left spaces in which the voters may make or stamp a cross to indicate whether they vote for or against said act, and those voting for said act shall do so by placing a cross opposite the words "For the state highway act," and all those voting against the said act shall do so by placing a cross opposite the words "Against the state highway act." The governor of this state shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

SEC. 11. The votes cast for or against this act shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for state officers, and if it appears that said act shall have received a majority of all the votes cast for and against it at said election, as aforesaid, then the same shall have effect as hereinbefore provided and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the governor shall make proclamation thereof. But if a majority of the votes cast, as aforesaid, are against this act then the same shall be and become void.

SEC. 12. It shall be the duty of the secretary of state to have this act published in at least one newspaper in each county, or city and county, if one be published therein, throughout this state, for three months next preceding the general election to be holden in the month of November, A. D. nineteen hundred and ten; the cost of publication shall be paid out of the general fund, on controller's warrants duly drawn for the purpose.

SEC. 13. This act shall be known and cited as the "State Highway Act."

SEC. 14. All acts and parts of acts in conflict with the provisions of this act are hereby repealed.

This bill was received by the Governor, this 15th day of March, A. D. 1909, at 3 o'clock P. M. E. C. Cooper, Private Secretary of the Governor.

CHAPTER 407. *An act to provide for the issuance and sale of state bonds to create a fund for the acquisition by the board of state harbor commissioners, of a necessary area for a tidal basin, for wharves, docks, piers, harbors and appurtenances, in the city and county of San Francisco; to create a sinking fund for the payment of said bonds; and defining the duties of state officers in relation thereto; making an appropriation of one thousand dollars for the expense of printing said bonds; and providing for the submission of this act to a vote of the people.*

The people of the State of California, represented in Senate and assembly, do enact as follows:

SECTION 1. For the purpose of providing a fund for the payment of the Indebtedness authorized to be incurred by the board of state harbor commissioners for the acquisition of the necessary area for a tidal basin, extending the area of India basin, on the water front of the city and county of San Francisco, as provided in an act entitled: "An act to authorize and direct the board of state harbor commissioners to institute condemnation proceedings against certain property north of India basin, and extending the said creek in the city and county of San Francisco, and extending the jurisdiction of said board over the same, and providing for the payment of judgments from the proceeds of bonds issued and sold under the provisions of an act entitled 'An act to provide for the issuance and sale of state bonds to create a fund for the acquisition by the board of state harbor commissioners of a necessary area for a tidal basin, for wharves, docks, piers, harbors and appurtenances, in the city and county of San Francisco; to create a sinking fund for the payment of said bonds; and defining the duties of state officers in relation thereto; making an appropriation of one thousand dollars for the expense of printing said bonds; and providing for the submission of this act to a vote of the people,' the state treasurer shall, immediately after the issuance of the proclamation of the governor, provided for in section 10 hereof, prepare one thousand suitable bonds of the State of California, in the denomination of one thousand dollars each. The whole issue of said bonds shall not exceed the sum of one million dollars, and said bonds shall bear interest at the rate of four per centum per annum, from the time of issue thereof, and both principal and interest shall be payable in gold coin of the present standard value, and they shall be payable at the office of the state treasurer, at the expiration of seventy-four years from their date, subject, however, to redemption by lot as in this act hereinafter provided. Said bonds shall bear date the second day of January A. D. 1911, and shall be made payable on the second day of January, A. D. 1985. The interest accruing on such of said bonds as are sold, shall be due and payable at the office of the state treasurer, on the second day of January, and on the second day of July, of each year after the sale of the same; provided that the first payment of interest shall be made on the second day of January, A. D. 1912, on so many of said bonds as may have been theretofore sold. At the expiration of seventy-four years from the date of said bonds, all bonds sold shall cease to bear interest, and likewise all bonds redeemed by lot shall cease to bear interest, as in this act provided, and the said state treasurer shall call in, forthwith pay and cancel the same, out of moneys in the "India Basin Sinking Fund," provided for in this act, and, he shall, on the first Monday of January, A. D. 1956, also cancel and destroy all bonds not theretofore sold. All bonds issued shall be signed by the governor, and countersigned by the controller, and shall be endorsed by the state treasurer, and each shall have the seal of the state stamped thereon. Each bond shall contain a clause that it is subject to redemption by lot after the year nineteen hundred and thirty-nine.

SEC. 2. Interest coupons shall be attached to each of said bonds, so that such coupons may be removed without injury to or mutilation of the bond. Said coupons shall be consecutively numbered, and shall be signed by the state treasurer. But no interest on any of said bonds shall be paid for any time which may intervene between the date of any of said bonds and the issue and sale thereof to a purchaser.

SEC. 3. The sum of one thousand dollars is hereby appropriated to pay the expense that may be incurred by the state treasurer in having said bonds prepared. Said amount shall be paid out of the "San Francisco Harbor Improvement Fund," on controller's warrants, duly drawn for that purpose.

SEC. 4. When the bonds authorized to be issued under this act shall be duly executed, they shall be sold by the state treasurer at public auction to the highest bidder for cash, in such parcels and numbers as said state treasurer shall determine; but said treasurer may reject any and all bids for said bonds, or for any of them, which shall be below the par value of said bonds so offered for sale, and he may by public announcement at the place and time fixed for the sale, for good and sufficient cause, continue such sale as to the whole of the bonds offered or any part thereof offered, to such time and place as he may select, not exceeding, however, sixty days. Due notice of the time and place of sale of all bonds, and of the postponement of sale thereof, must be given by said treasurer by publication in two newspapers published in the city and county of San Francisco, and also by publication in one newspaper published in the city of Oakland, and by publication in one newspaper published in the city of Los Angeles, and by publication in one newspaper published in the city of Sacramento, once a week during four weeks prior to such sale. The costs of such publication shall be paid out of the "San Francisco Harbor Improvement Fund" on controller's warrants, duly drawn for that purpose. The proceeds of the sale of such bonds shall be forthwith paid over by said treasurer into the treasury, and must be by him kept in a separate fund to be known and designated as the "India Basin Fund," and must be used exclusively for the acquisition of the area described in the act referred to in section 1 hereof. Drafts and warrants upon said fund shall be drawn upon, and shall be paid out of said fund in the same manner as drafts and warrants are drawn upon and paid out of the "San Francisco Harbor Improvement Fund."

SEC. 5. For the payment of the principal and interest of said bonds a sinking fund to be known and designated as the "India Basin Sinking Fund" shall be, and the same is hereby created as follows, to wit: The state treasurer shall, on the first day of each and every month, after the second day of December, A. D. 1928, take from the "San Francisco Harbor Improvement Fund," such sum as, multiplied by the time the bonds then sold and outstanding have to run, will equal the principal of the bonds sold and outstanding at the time said treasurer shall so take said sum from said "San Francisco Harbor Improvement Fund," less the amount thertofore taken therefrom for said purpose; and he shall place the sum in the "India Basin Sinking Fund," created by this act. Said state treasurer shall, on controller's warrants, duly drawn for that purpose, employ the moneys in said sinking fund in the purchase of bonds of the United States, or of the State of California, or of the several counties or municipalities of the State of California, which said bonds shall be kept in a proper receptacle, appropriately labeled; but he must always keep on hand a sufficient amount of money in said sinking fund with which to pay the interest on such of the state bonds herein provided to be issued as may have theretofore been sold, and to provide means for the payment of interest on the bonds that may be sold and outstanding, said treasurer shall monthly take from the "San Francisco Harbor Improvement Fund," and pay into said "India Basin Sinking Fund," an amount equal to the monthly interest then due on all bonds then sold, delivered and outstanding. The board of state harbor commissioners is hereby authorized and directed by the collection of dockage, tolls, rents, wharfage and cranage, to collect a sum of money sufficient for the purposes of this act, over and above the amount limited by section two thousand five hundred and twenty-six of the Political Code of the State of California. Between the first and tenth day of November, in the year nineteen hundred and forty, and between the first and tenth day of November of each year thereafter, until the maturity of said bonds, the said treasurer shall, in the presence of the governor, proceed to draw by lot such an amount of bonds as shall be requisite to exhaust as nearly as may be, the amount in said sinking fund at that time, and shall thereupon and before the 10th day of December following, give notice by public advertisement to be inserted twice a week for two weeks in two newspapers published in the city and county of San Francisco, and also in one newspaper published in the city of Los Angeles, and also in one newspaper published in the city of Sacramento, stating the number of bonds so drawn, and that the principal of said bonds shall be paid on presentation to the treasurer on or before the second day of January, following, and that from and after such last named date, all interest upon bonds thus drawn shall cease, and it shall be the duty of the treasurer as soon as said bonds so drawn by lot are surrendered to him and paid, to cancel the same, and the interest coupons thereon, and each year beginning with the year nineteen hundred and forty, the said treasurer shall, in the manner aforesaid, proceed to draw by lot such an amount of bonds as shall be requisite to exhaust as nearly as may be the amount in said sinking fund, and proceed in the manner hereinbefore stated. After the payment of all said bonds, the surplus or balance remaining in said sinking fund, if any there be, shall forthwith be paid into the San Francisco Harbor Improvement Fund. At the time of the respective drawings by lot, as aforesaid, and also at the maturity of said state bonds, said treasurer shall sell the United States bonds, or other bonds, then in said sinking fund, at governing market rates, after advertising the sale thereof, in the manner hereinbefore provided for the sale of bonds hereby authorized to be issued, and shall use the proceeds for the payment of such bonds as may be drawn by lot, and at the maturity of said bonds outstanding shall pay and redeem said matured outstanding bonds, out of said money in said fund in extinguishment of said bonds, on controller's warrants, duly drawn for that purpose.

SEC. 6. The state controller and the state treasurer shall keep full and particular account and record of all of their proceedings under this act, and they shall transmit to the governor an abstract of all such proceedings thereunder, with an annual report, to be by the governor laid before the legislature biennially; and all books and papers pertaining to the matter provided for in this act shall at all times be open to the inspection of any party interested, or the governor, or the attorney-general, or a committee of either branch of the legislature, or a joint committee of both, or any citizen of the state.

SEC. 7. It shall be the duty of the state treasurer to pay the interest of said bonds when the same falls due, out of the sinking fund provided for in this act, on controller's warrants duly drawn for that purpose.

SEC. 8. This act, if adopted by the people, shall take effect on the thirty-first day of December, A. D. nineteen hundred and ten, as to all its provisions except those relating to and necessary for its submission to the people, and for returning, canvassing and proclaiming the votes, and as to said excepted provisions this act shall take effect immediately.

SEC. 9. This act shall be submitted to the people of the State of California for their ratification at the next general election, to be holden in the month of November, A. D. nineteen hundred and ten, and all ballots at said election shall have printed thereon, and at the end thereof, "For the India Basin Act," and in the same square, under said words the following in brevier type: "This act provides for the acquisition of a tidal basin in the bay of San Francisco for harbor purposes, and for the payment of all costs thereof out of the 'San Francisco Harbor Improvement Fund.'" In the square immediately below the square containing said words, there shall be printed on said ballot the words "Against the India Basin Act," and immediately below said words "Against the India Basin Act," in brevier type, shall be printed: "This act provides for the acquisition of a tidal basin in the bay of San Francisco harbor, for harbor purposes, and for the payment of all costs thereof out of the 'San Francisco Harbor Improvement Fund.'" Opposite the words "For the India Basin Act," and "Against the India Basin Act," there shall be left spaces in which the voters may make or stamp a cross to indicate whether they vote for or against said act, and those voting for said act shall do so by placing a cross opposite the words "For the India Basin Act," and those voting against said act shall do so by placing a cross opposite the words "Against the India Basin Act." The governor of this state shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

SEC. 10. The vote cast for or against this act shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for state officers; and if it appear that said act shall have received a majority of all the votes cast for and against it at said election, as aforesaid, then the same shall have effect as hereinabove provided, and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the governor shall make proclamation thereof; but if a majority of the votes cast, as aforesaid, are against this act, then the same shall be and become void.

SEC. 11. It shall be the duty of the secretary of state to have this act published in at least one newspaper in each county, or city and county, if one be published therein, throughout this state, for three months next preceding the general election to be holden in the month of November, A. D. nineteen hundred and ten; the costs of publication shall be paid out of the general fund, on controller's warrants, duly drawn for that purpose.

SEC. 12. This act shall be known and cited as the "India Basin Act."

SEC. 13. All acts and parts of acts in conflict with the provisions of this act are hereby repealed.

This bill was received by the Governor, this 23d day of March, A. D. 1909, at 5 o'clock P. M. E. C. Cooper, Private Secretary of the Governor.

CHAPTER 623. *An Act to provide for the issuance and sale of state bonds to create a fund for the construction by the board of state harbor commissioners for the bay of San Diego of harbor improvements consist of a seawall, wharves, piers, state railroad, spurs, betterments and appurtenances in the county of San Diego; to create a sinking fund for the payment of said bonds; to define the duties of state officers in relation thereto; to make an appropriation of one thousand five hundred dollars for the expense of printing said bonds, and to provide for the submission of this act to a vote of the people.*

The people of the State of California, represented in senate and assembly, do enact as follows:

SECTION 1. For the purpose of providing a fund for the payment of the indebtedness hereby authorized to be incurred by the board of state harbor commissioners for the bay of San Diego for harbor improvements consist of for the erection of a seawall, wharves, piers, state railroad, spurs, betterments and appurtenances in the county of San Diego, at a cost not to exceed one million five hundred thousand dollars, which said seawall, wharves, piers, state railroad, spurs, betterments and appurtenances the said board of state harbor commissioners for San Diego bay are hereby empowered to construct in the manner authorized by law, at a cost not to exceed one million five hundred thousand dollars, the state treasurer shall, immediately after the issuance of the proclamation of the governor provided for in section ten of this act, prepare fifteen hundred suitable bonds of the State of California in the denomination of one thousand dollars each, to be numbered from one to fifteen hundred, inclusive, and to bear date of the second day of July, nineteen hundred eleven. The total issue of said bonds shall not exceed the sum of one million five hundred thousand dollars, and they shall bear interest at the rate of four per cent per annum from the date of issuance thereof. The said bonds and the interest thereon shall be payable in gold coin of the United States of the present standard of value, at the office of the state treasurer of said state, on the second day of July, nineteen hundred eighty-five, subject, however, to redemption by lot as in this act hereinafter provided. The interest accruing on all of said bonds that shall be sold shall be payable at the office of the treasurer of the state on the second day of January and the second day of July of each and every year after the sale of the same, and the interest on all bonds issued and sold shall cease on the day of their maturity, and the said bonds so issued and sold shall on the day of their maturity be paid as herein provided and canceled by the treasurer of said state. All bonds remaining unsold shall, at the date of the maturity thereof be by the treasurer of the state canceled and destroyed. All bonds issued pursuant to the provisions of this act shall be signed by the governor of this state, countersigned by the state controller and endorsed by the state treasurer, and the said bonds shall be so signed, countersigned and endorsed by the officers who are in office on the second day of July, nineteen hundred eleven, and each of said bonds shall have the great seal of the State of California impressed thereon, and said bonds signed, countersigned, endorsed and sealed as herein provided, shall be and constitute a valid and binding obligation upon the State of California though the sale thereof be made at a date or dates after the person so signing, countersigning and endorsing, or either thereof, shall have ceased to be the incumbents of said office or offices.

SEC. 2. Appended to each of said bonds there shall be interest coupons so attached that the same may be detached without injury or mutilation of said bonds, and said coupons shall be consecutively numbered, and shall bear the lithographic signature of the state treasurer who shall be in office on the second day of July, nineteen hundred eleven. No interest shall be paid on any of said bonds for such time as may intervene between the date of said bond and the day of sale thereof, unless said accrued interest shall have been, by the purchaser of said bond, paid to the state at the time of such sale.

SEC. 3. The sum of one thousand five hundred dollars is hereby appropriated out of any moneys in the state treasury not otherwise appropriated to pay the expense that may be incurred by the state treasurer in having said bonds prepared. The state controller is hereby authorized and directed to draw his warrant for the expense incurred in preparing the said bonds, and the state treasurer is hereby directed to pay the same.

SEC. 4. When the bonds authorized to be issued by this act shall have been signed, countersigned and endorsed, as in section 1 provided, the state treasurer shall sell the same for cash to the highest bidder in such parcels and numbers as the governor of the state shall direct, provided a resolution requesting such sale shall have been adopted by the board of state harbor commissioners for San Diego bay, and said board shall not pass such resolution until in their judgment the actual harbor receipts, and those reasonably anticipated, will justify such sale of bonds and the consequent increased burden on harbor receipts. Said resolution shall specify the number of bonds necessary to produce the amount of money which, in the judgment of said board of harbor commissioners, shall be required at such time, and the governor of the state shall direct the state treasurer to sell such number of said bonds as may raise said amount of money, and that said bonds shall be sold in consecutive numerical order. The state treasurer shall not accept any bid which is less than the par value of the bond, plus the interest which has accrued thereon between the date of sale and the last preceding interest maturity date. The state treasurer may, at the time and place fixed by him for such sale, continue such sale as to the whole or any part of said bonds offered to such time and place as he may at the time of such continuance designate. Before offering any of said bonds for sale the state treasurer shall detach therefrom all coupons which have matured or will mature before the date fixed for said sale. The state treasurer shall give notice of the time and place of sale by publication in two newspapers published in the city and county of San Francisco, one newspaper published in the city of Los Angeles, one newspaper published in the city of San Diego, and one newspaper published in the city of Sacramento, once a week for four weeks next preceding the date fixed for such sale. In addition to the notice last above provided for, the state treasurer may give such further notice as he may deem advisable, but the expenses and cost of such additional notice shall not exceed the sum of five hundred dollars for each sale so advertised. The cost of such publication shall be paid out of the San Diego harbor improvement fund on controller's warrants duly drawn for that purpose, and the treasurer must pay the same. The proceeds of the sale of such bonds shall be forthwith paid over by said treasurer into the treasury, and must be by him kept in a separate fund to be known and designated as the "San Diego Seawall Fund," and must be used exclusively for the construction of a seawall, wharves, piers, state railroad, spurs, betterments and appurtenances thereto on the water front of the bay of San Diego. Drafts and warrants upon the said fund shall be drawn upon and shall be paid out of said fund in the same manner as drafts and warrants are drawn upon and paid out of the San Diego harbor improvement fund.

SEC. 5. For the payment of the principal and interest of said bonds a sinking fund, to be known and designated as the "San Diego Seawall Sinking Fund" shall be, and the same is hereby created, to wit: The state treasurer, after the second day of January, nineteen hundred and twenty-nine, shall on the first day of each and every month thereafter, after the sale of said bonds, take from the San Diego harbor improvement fund such sum as, multiplied by the time in months, the bonds then sold and outstanding at the time said treasurer shall so take said sum from said San Diego harbor improvement fund, less the amount theretofore taken therefrom for said purpose; and he shall place the sum in the seawall sinking fund created by this act. Said state treasurer shall, on controller's warrants duly drawn for that purpose, employ the moneys in said sinking fund in the purchase of bonds of the United States, or of the State of California, which said bonds shall be kept in a proper receptacle, appropriately labeled; but he must keep always on hand a sufficient amount of money in said sinking fund with which to pay the interest on such of the state bonds herein provided to be issued as may have theretofore been sold. And to provide means for the payment of interest on the bonds that may be sold and outstan
